**ACCEPTED.**—The resignation of Ed. Weisgerber, late member of the Second Branch of Council, was received and accepted last evening. The vacancy will probably be filled at the next meeting.  
**PETER McFARLAND** was brought before Esq. Launder, yesterday, charged with obtaining goods under false pretenses at the grocery store of W. B. Odert. He was committed in default of \$200 bail for his appearance to-day.  
**SEVERELY HURT.**—Yesterday morning before it was fairly light, a workman in South Wheeling Glass House walked out of a door, while supposed to be in a semi-conscious state, and fell a distance of twenty to twenty-five feet upon a mass of rubbish, composed principally of broken glass pots and cinders. The unfortunate man was quite severely hurt. We could not ascertain his name, nor the precise nature of his injuries. A physician was called who gave him proper attention.  
**STEAMER HUDSON.**—A notice appears elsewhere in this morning's paper, announcing that the Hudson will leave for Cincinnati next Saturday afternoon at the old hour—3 o'clock. We were told yesterday, that the Hudson was to come off the docks last evening, and would partly fill up at Pittsburgh. She will be here sometime to-morrow we believe. We know our people will be gratified to hear that this favorite packet is so soon to be seen at our wharf. Passengers and shippers will be on hand promptly, Saturday.

**CIRCUIT COURT.**—This court was in session, yesterday. Besides the transactions of some chancery business, the following cases were disposed of: State vs. L. W. Kohlhausen—indicted for obtaining goods under false pretenses—*not pro. entered.*  
State vs. George Boice—charged with petit larceny—order of release entered, no indictment having been found.  
Perrell vs. Baltimore & Ohio Railroad Company—on motion of defendant this case was removed to the United States Circuit Court.  
Adjourned until 9 o'clock this morning.  
**SHOULD BE REPAIRED.**—We call the attention of the Street Commissioner to the wretched condition of the bordering on Main street bridge. The space formerly occupied by the string-pieces of the street railway track, has not been repaved since the timbers were removed, and consequently there are two holes, several rods long, which only require water to constitute them first-class hog wallows. These repairs should be made at once, before the weather becomes so unpleasant that it cannot be done. The heavy teaming over the bridge will soon render it impossible, if not put in good trim.

**CITY COUNCIL.**  
**Second Branch.**  
A special meeting of City Council was held last evening. In the Second Branch the chair was occupied by President Forbes. Present, Messrs. Altmyer, Baird, Crawford O. J., Caldwell, Hobbs, Kammer, List, Logan, Steger, Smith J. G., Smith P., Sheppard, Simpson, Steger and Toliver.  
The minutes of the last four meetings were read and approved.  
The Committee on Claims to whom was referred sundry claims against the city reported. The committee recommended paying claim of Charles Lane, against that of Jacob Watson; against those of J. & W. C. Handlan, Thomas Owens and Trustees of the English Evangelical Lutheran Church.  
The first recommendation of the committee was adopted. On the question of adopting the second, the yeas and nays were called.  
Those voting yeas were Messrs. Altmyer, Baird, Caldwell, Crawford O. J., Hobbs, Kammer, List, Logan, Steger, Smith J. G., Smith P., Simpson and Sheppard.  
Those voting nays were Messrs. Lancaster and Mr. President.  
So the recommendation of the committee was adopted.  
The third recommendation was adopted. The following was offered: Resolved, That the Committee on Water Works be authorized to purchase 700 feet of 4 inch water pipe for use on the Island. Adopted.  
A proposition from Mrs. A. S. Trowbridge, through her attorney, to settle with the city for damages received by her in falling through a coal vault, was read; also, a resolution making appropriation to pay the judgment and costs.  
On motion, the papers were referred to the Committee on Claims for report.  
Resolution making tax receipts not paid by 20th of this inst. bear interest at the rate of 10 per cent, was received from the First Branch and its action adopting it concurred in.  
The Special Committee on gas extension reported that the work on the gas tank being completed and the material for the holder and exhauster and the fixtures for the same having been delivered, there will be due to the contractors this week between \$8,000 and \$9,000, for which some provision must be made at once.  
It is expected that the whole of the improvements now being made at the gas works will be completed by December 1st, and the further sum of \$10,500, to \$11,000 will be then wanted for the payment of balance due on contracts, labor, &c. This amount added to the amount now due, will make in round numbers \$20,000 to be provided by your honorable body on account of gas extension.  
The following resolutions were offered for consideration: Resolved, That the special committee on Gas Extension and the Trustees of the gas works, be authorized to negotiate a loan in the name of the city of Wheeling, for \$20,000, at a rate of interest not to exceed — per cent, the proceeds of said loan to be applied to the payment of liabilities for the improvements now being made at the gas works, and for no other purpose whatever.  
Resolved further, That the revenues from the gas works, after deducting principal and interest of gas bonds, as required by the gas loan ordinance, and paying the current expenses of running the works, shall be applied to the payment of the above loan, and the Gas Commissioners are hereby ordered to see that it is so done.  
After filling the blank in the first resolution with 9 per cent, it was adopted. The second was also adopted.  
Report of Committee on Cemeteries, in relation to sales of certain lots, was read and sales confirmed.  
Receiver's report for September was read. Amount on hand September 1st, \$18,290 30; receipts, \$4,093 25—total, \$22,373 55. Disbursements, \$10,020 81. Balance in Treasury October 1st, \$12,352 74.  
Received and referred.  
Report of Gas Commissioners for September was read. Amount on hand at date of last report, \$13,100 44. Receipts for September, \$12,135 56. Disbursed, \$5,007 84. Balance on hand September 30, \$10,128 16. Also report for October. Amount on hand September 30, \$10,128 16. Amount received in October, \$4,634 38. Total, \$14,762 54. Disbursements, \$9,593; Reserve, \$5,169 54. Balance on hand October 31st, \$5,169 54.  
Received and referred.  
Sexton's reports for September and October were read.  
Committee on Streets and Alleys reported in favor of curbing on south side of Third street from west side of Main to first alley west of Main; also, on both sides of Catharine street from Jacob to George; also, on both sides of Sixth street from Denny to Filbert; also, on south side of Denny street from Preston to Virginia; also, to construct 15-inch earthen pipe sewer from York street to west branch of Ohio river; also, sewer of same size along alley between Main and Market streets, from Market alley to Union, and extending along Union to intersect sewer at south end of Market House; also to grade part
